Re: D.T.C. 13-1: Telrite Corporation d/b/a Life Wireless Application for Designation as an Eligible Telecommunications Carrier in the State of Massachusetts for the Limited Purpose of Offering Wireless Lifeline Service to Qualified Households (Low Income Only)

Dear Mr. Gipson,

The Massachusetts Department of Telecommunications and Cable ("Department") is in receipt of the Application of Telrite Corporation d/b/a Life Wireless ("Telrite") to provide Lifeline service in Massachusetts as an Eligible Telecommunications Carrier ("ETC") dated January 7, 2013 ("Petition"). The Department requests that Telrite address the following items:

1. Telrite states on page 7 of its Petition that Exhibit C to the Petition contains "a current list of its officers, along with biographical information for each". Exhibit C as received by the Department is missing the biographical information offered. Please correct this omission.

2. Exhibit A of its Petition is marked "Confidential." Please submit a motion for confidential treatment of Exhibit A, along with an accompanying memorandum of law with particularized facts in support of such a motion, as required by state statute. See G. L. c. 66, § 10; G. L. c. 4, § 7(26).

3. Please file an electronic copy of the Petition as a Microsoft Word document.

Please contact me at (617) 368-1115 should you have any questions.

Very truly yours,

/s/ Betsy Whittey
